DRISHTI IAS DELHI

AS MENTOR AND MAINS EVALUATOR

I have had the privilege of serving as a Faculty of General Studies at [CHAHAL IAS , DRISHTI IAS], where I have guided and mentored countless aspirants on their path towards achieving their dreams of serving the nation through civil services. My approach to teaching is characterized by a blend of theoretical depth, practical insights, and a keen awareness of the evolving dynamics of the examination.

Teaching Philosophy:

Central to my teaching philosophy is the belief that education extends beyond the classroom, encompassing holistic development, critical thinking, and ethical leadership. I strive to create an inclusive learning environment that fosters intellectual curiosity, fosters analytical thinking, and encourages students to engage with complex issues facing our society.
