Adept Tutor with a proven track record of motivating 11th and 12th-grade students to surpass their academic fears, enhancing their understanding of Commerce, Accounting and Economics. Skilled in creating engaging content and question papers, I've significantly improved independent learning skills among various students. My mentorship has fostered self-confidence, demonstrating a unique blend of teaching expertise and supportive guidance.

Work History

2012-05 - 2019-01	Tutor <i>Various Students Of 11th And 12th, Allahabad, Lucknow</i> <ul style="list-style-type: none">• Motivated students towards learning and studying to build self-confidence and reduce fear of failure.• Provided one-on-one tutoring sessions, tailoring instruction to meet the specific needs of each student while promoting independent learning skills.• Supported students with helpful study habits and exam strategies.• Collaborated with students to complete homework assignments, identify lagging skills, and correct weaknesses.• Enhanced students' understanding of subject matter by incorporating real-world examples into lessons.
